

# FRIENDS OF THE PORTLAND FAIR

The Portland Fair is thrilled to be returning to the Chris Cote Driving Range for our third year on October 2, 3 & 4 2026. We are excited to return after two great years. We love providing such a great event for our great town. We certainly couldn't have done it without your support!

In our first year 2024 we built a state of the art truck pull ring, new animal pull and mud bog areas. 2025 was very busy! We upgraded our water supply system and began the process of bringing electricity to the grounds. This was all done through the hard work of our volunteers, the assistance of local business partners and most of all the overwhelming support of our Friends of the Fair! We couldn't have done it without you!

We are once again kicking off our fundraising efforts with our Friends of The Portland Fair Sponsorships. We are so appreciative of all the support we have received in the past and hope you are able to support us in this effort. This year we will be expanding our electric service and bringing in new exciting entertainment.

We are happy to say despite ever increasing costs to put on the fair we are keeping our ticket prices at 2025 levels. Tickets this year will be \$15 for adults and \$10 for seniors 65 and older. Children 12 and under are free.

We hope we can look forward to your support this year. Thank you to all who have supported us in the past. **Discounted passes are available until 6/15/2026.**

## CHOOSE YOUR DONATION LEVEL!

### ***Chick Level \$25***

### ***Bunny Level \$40***

- Your name will be published in the fair book
- One Two day pass to the fair
